

When bulky or heavy weight items to be sent across the seas is the question and time is not an issue, our Sea Freight will answer you with the assurance of on time customs clearance and delivery in the country of destination.

We specialize in both LCL (less than a container load i.e. group-age) and FCL (full container loads i.e. 20' and 40') shipments from UK to Sri Lanka and Worldwide.

We also offer RO/RO (roll on - roll off) for the shipment of cars and for our conventional and break-bulk services for out of gauge or very large pieces of machinery / equipment.
